Message from Pastor Fiaz:

Dear in the Lord,

We visited persecuted Josph colony in Lahore. I, Zeenat, Jennifer, my fellow pastor Malik his wife, Pastor Mehboob his sister and pastor Adnan went there. We saw great destruction in that area. There almost 186 houses and Muslim mob all burned. They also burned church. Peoples told us that police told us on Thursday 7 march leave your houses. And Friday after Muslim prayer their preacher said many things against Christian and all mob with great anger came in Josph colony. First they stolen all expensive things and burned all things which they can't carry. The reason of that all persecution one Muslim barber and Christian boy qurrall and Muslim said I will see you and your peoples. That Muslim went many mosques and told that Christian boy said many things against Islam Muhammad and quran and have a charge of Blasphemy. This is totally false. In this persecution there is great hand of mosques and Muslim preachers. Our that brothers and sisters in great pain and have lost their everythings. Now they are living in tents. And have no any toilet and other necessary facility. Their condition is very poor. They are living in open sky. Our hearts broken to saw them. They can't make any food for them. They are waiting if anyone come and give them food. There is a mosquito season and they and their children in great trouble. Muslim make our brothers and sisters bagger. We shared some food items with them. They really happy and said to us we are not alone our all brothers and sisters are with us in this trouble. Please help our that brothers and sisters. They are in great pain.

Many blessing to you.

Your brother in Christ,

Fiaz
