## **Huruma crusade**

### **Message from Pastor Titus:**

On Thursday we begun the Huruma crusade. I thank God for touching a pastor who helped with this instruments and has really supported me fully. We will finish on Sunday. We have seen many people coming to Christ and a paralytic women who was healed. Please pray for today and tomorrow that God manifest himself. Also if anyone feels to bless as so that at end of the meeting we also appreciate this pastor for assisting us these instruments we welcome. Mum we really waiting for God one day bless our outreach with such instruments to reach people in Kenya and East Africa. God Bless you as you pray for us. Titus

**✚ This is a special note: In Africa, the people are very superstitious of 'spirits'. As you can see from the photos below, the people will gather far back to hear Pastor Titus preach- but will not come any closer. This is why Pastor Titus needs speakers and a microphone (instruments) for his evangelism.**
