Prophecy Sign:

1Keep not thou silence, O God: hold not thy peace, and be not still, O God.
2For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head. **3**They have taken crafty counsel against thy people, and consulted against thy hidden ones. **4**They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance. **5**For they have consulted together with one consent: they are confederate against thee:"

Prophecy Sign: **Isaiah 17:1** The burden of Damascus. Behold, Damascus is taken away from *being* a city, and it shall be a ruinous heap. **Jeremiah 49:23-27** ²³ Concerning Damascus. Hamath is confounded, and Arpad: for they have heard evil tidings: they are fainthearted; there is sorrow on the sea; it cannot be quiet.²⁴ Damascus is waxed feeble, and turneth herself to flee, and fear hath seized on her: anguish and sorrows have taken her, as a woman in

travail.²⁵ How is the city of praise not left, the city of my joy!²⁶ Therefore her young men shall fall in her streets, and all the men of war shall be cut off in that day, saith the Lord of hosts.²⁷ And I will kindle a fire in the wall of Damascus, and it shall consume the palaces of Benhadad. (Syria's destruction will be a huge sign to everyone watching the last days signs!)

If you are new to prophecy please keep in mind the reason why it is important to watch what happens in Syria is because Russia is Syria's main ally. When will the destruction come against Damascus as seen in the two prophecies above? Since Syria is listed in the Psalm 83 war she will no doubt see her destruction during this war. That is the reason why I am warning we may see several prophecies take place at the same time. Russia is not going to like what happened to their ally Syria and as a result in time will advance on Israel to fulfill the Ezekiel 38 war.

"a ruinous heap" As new photos come in Damascus looks more like what Isa. 17:1 warned!
