Pastor Titus

Message from Pastor Titus:

We have accepted 15 more children and we believe the Lord will provide them with uniforms. You can see those small girls and a boy, you cannot imagine the way they were before we brought them to school. Ten of them need school uniforms. We have four teachers and one cook. We still believe good to provide because it is the year of salvation and blessing we welcome any support. May God bless you as you pray for these children. Pr. Titus
