Working Together to Help Those in Need

Missions Up-Date- Kenya 5-12-14

Pastor Joshua

Message from Pastor Joshua:

Dear my friends,

This are testimony photos for the mission work that I have been doing in Uganda and Bungoma Kenya. You will see people listening to the word of God. Others were sitting down trees to listen to the word of God especially in Uganda. You will also see many churches that I have visited in Bungoma - Kenya. It was a mission that took a whole month. I have been using a rental motorbike for my travel that had problems 15 times. I need your prayers because I have opened 3 other churches in Uganda under the trees. Also pray for our children here in Kenya. God Bless you.

Yours Pastor Joshua Wekesa.
