Pastor Fiaz

Message from Pastor Fiaz:

Please read story of this brave orphan girl.

She is Liaba and she is 14 years old. Her father died before few years ago. She has 5 brothers and sisters. Her mother left them all and married with another man. Her one sister is married and lives in another city. One city is under attack of T.B. abnormal. One brother is drug addict and begging. One brother had an accident very seriously and had head and leg injury and can't do anything for one year. Liaba is working as a house servant in two houses and gets 40\$ per month and supports her all brothers and sisters. When she came in our mission center. She asked Zeenat if she has a big ambition to go to school. But can't go because she is helping her brothers and sisters. When I met her I saw a great light in her eyes. Her problems and troubles can't hide her light. I admire her.

Please keep her in your prayers.

Your Brother in Christ- Fiaz
