Working Together to Help Those in Need

Missions Up-Date- Haiti 8-6-14

Pastor Josue

In August of 2013, a member of Ascent Ministries took a short term mission trip to Haiti. Arrangements were made for her to meet Pastor Josue and see his village of Titanyen (below). She returned again in April of this year for her second visit. She has returned a for her month-long 3rd trip in July

We thank God, this has been a big blessing for us to have sister Tammy in this trip in our ministry in the village titanyen-Haiti. Sister Tammy as a big blessing for us in the village and at the orphanage. God bless you so much and we pray for you. Pastor Josue
