Pastor Paul

Back on February 18 (<http://endtimesresearchministry.com/feb-18-2016-its-going-to-be-a-bad-year-are-you-ready/>), I put up a call for Pastor Paul to receive a projector in order that he could show my prophecy seminar in India. Through the Lord's blessing, he received one and has written to share seminar viewing he just had.

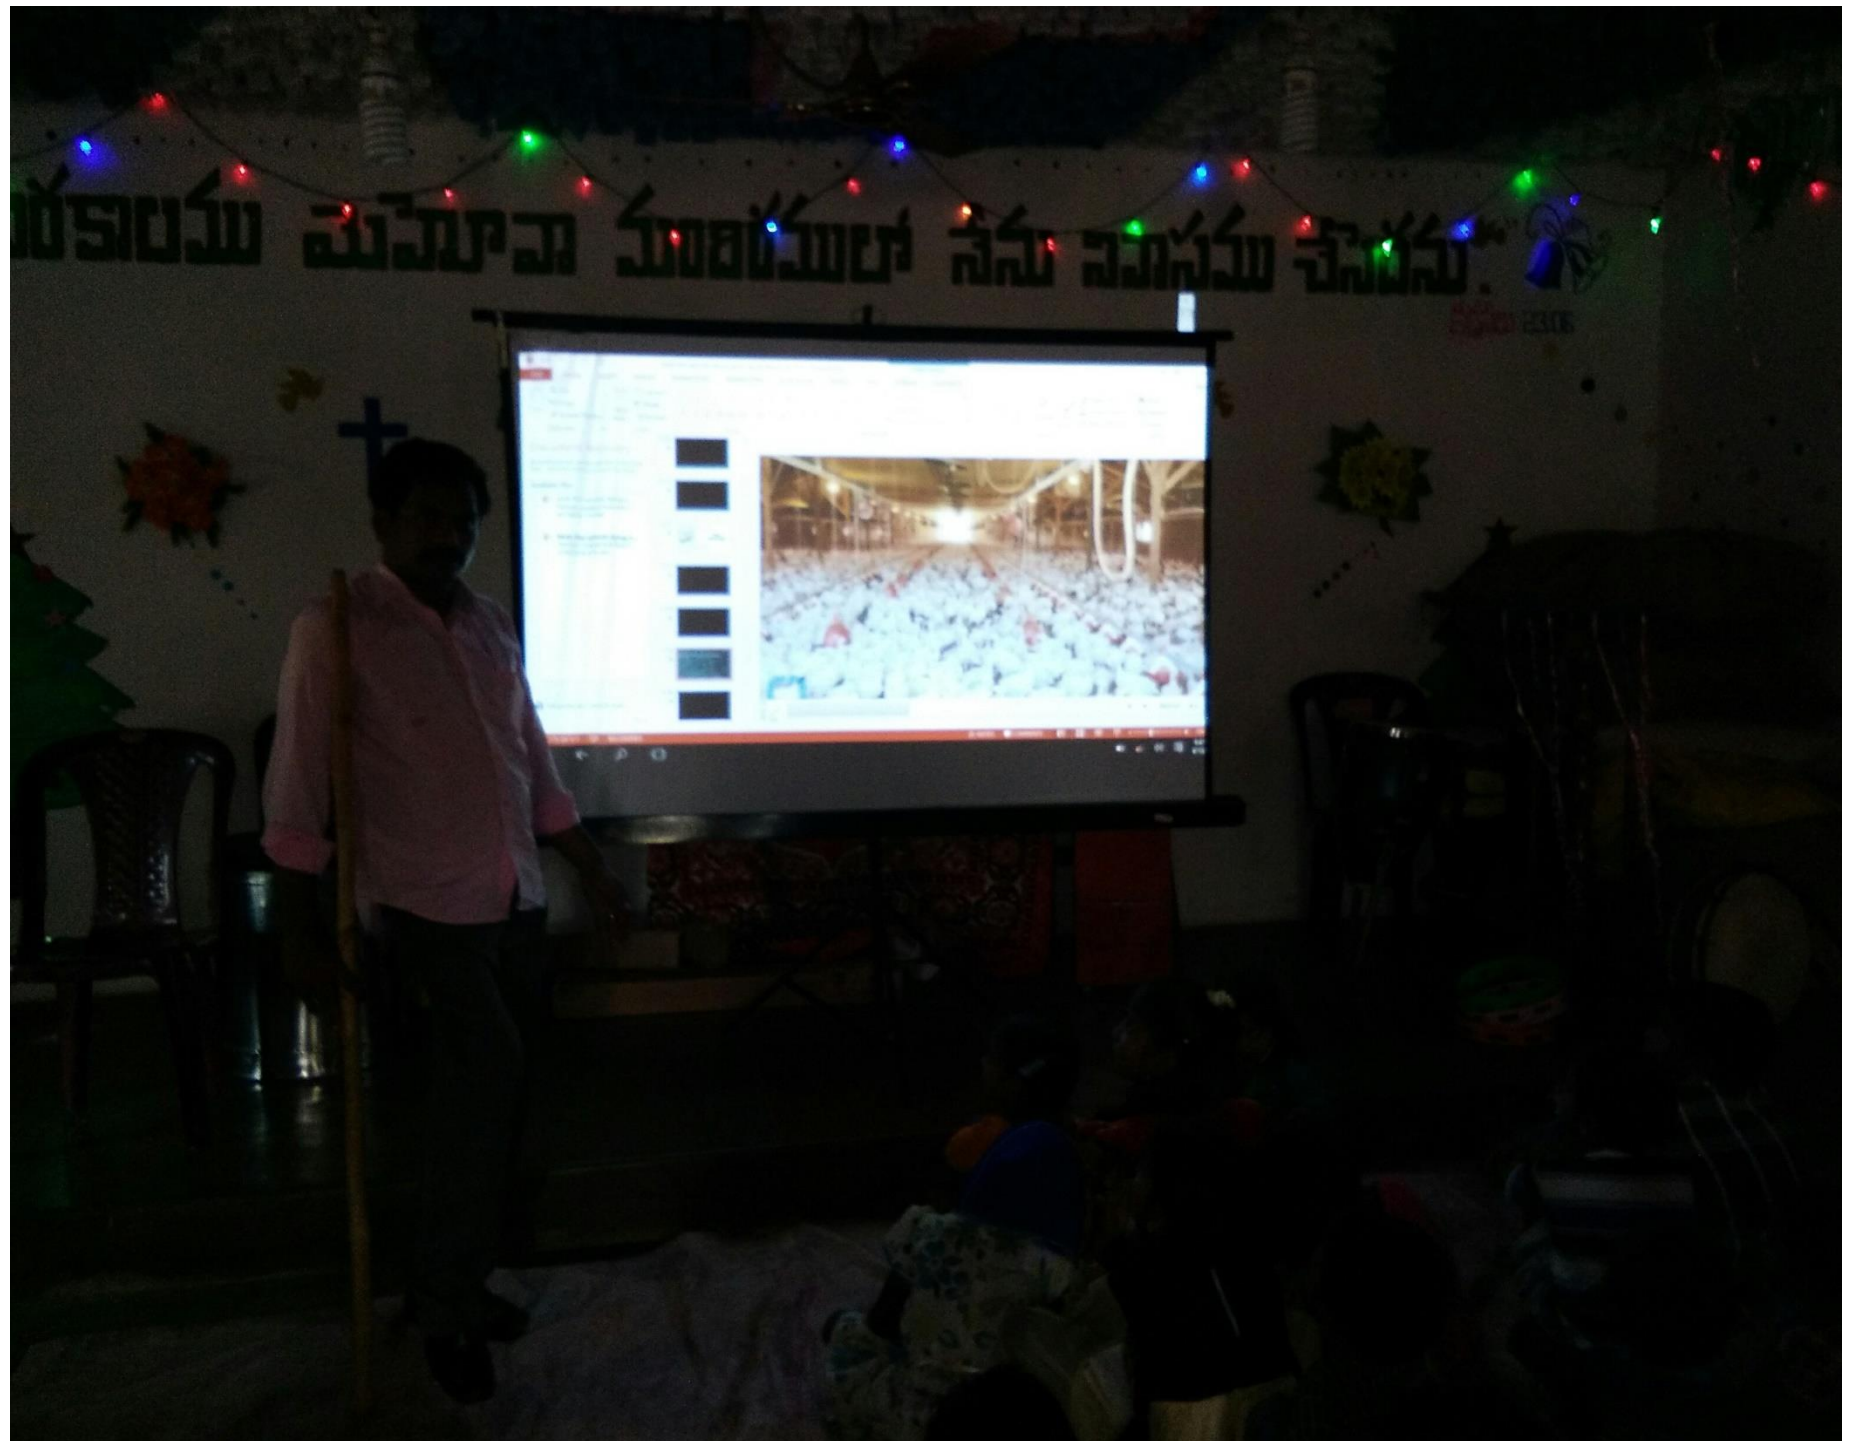

### **Message from Pastor Paul:**
