#### **Super Fake: Fake Numbers From Fake Bureaucrats Caused People To Believe In Fake Economic Prosperity That Never Existed**

How do 911,000 jobs suddenly disappear into thin air? Can someone explain that to me? Throughout 2024, I wrote extensively about how all of the reliable numbers showed that economic conditions in the United States were deteriorating. But those that were skeptical of what I was saying would point to the employment numbers that the government was giving us as evidence that everything was just fine. Of course I didn't have any faith in those numbers, and now we see exactly why I didn't have any faith in those numbers. They were fake the entire time. We were sold a lie based on numbers that were completely fraudulent.

#### **The Cost Of Living The American Dream For A Lifetime Has Reached A Whopping 5 Million Dollars**

What in the world has happened to us? When I was growing up, it was assumed that pretty much everyone in my generation would be able to achieve the American Dream. But today most of the U.S. population is not living the American Dream, and more people are falling out of the middle class every day. As I have detailed in previous articles, this is particularly true for Millennials and those in Generation Z. The collective prosperity of the middle class has been declining for an extended period of time, and now that long-term decline threatens to become a full-blown avalanche.

The speed at which global events are moving is simply breathtaking. All over the world, leaders keep talking about the need for peace, but we just keep getting more war. This month we have seen a series of very alarming escalations, and it is easy to imagine how things could spiral completely out of control. This is particularly true in the Middle East, because what we have just witnessed there is truly unprecedented. The following are 13 major World War III developments that have happened just within the past 48 hours...

### **Major Red Sea undersea cables have been cut**

Two major undersea cable systems in the Red Sea were reportedly severed, causing widespread internet disruptions across parts of Asia and the Middle East, including India, Pakistan, the UAE and Kuwait. The cause of the damage remains unknown, though speculation persists about potential sabotage by Yemen's Houthi rebels, who have denied responsibility despite being linked to attacks in the area.

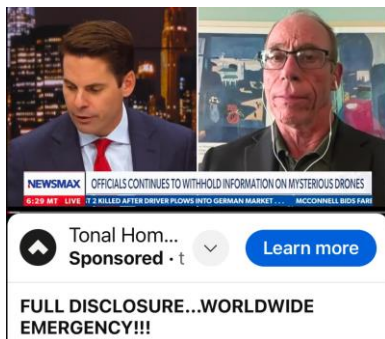

Before you watch my UFO's warning from 2011 I want to make sure you remember the following scripture Jesus talked about. 2 Thessalonians 2:11 And for this cause God shall send them **strong delusion, that they should believe a lie:** <sup>12</sup> That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

If there is one way to mislead people around the world it would be to make them believe aliens were responsible for creating the people of Earth and not God. The first stage to this strong delusion would be the appearance of UFO's. Satan's aim has always been to discredit Christ. By discrediting Christ Satan could make people believe the bible is not the word of God, but just another book. If you take faith away from people they may believe anything including a lie which could send them down the road leading away from the Lord's salvation through Christ Jesus. Jesus did not tell us exactly what the strong delusion was going to be, and there may be other events that show up which may be the strong delusion. If you don't know Jesus as your savior yet pay close attention to verse 12 of 2 Thessalonians 2 <sup>12</sup> That they all might be damned **who believed not the truth**, but had pleasure in unrighteousness.

Here is a warning from the Lord that should stick in your head. This strong delusion that comes, no matter what that delusion is will have a major impact on anyone who did not believe in Christ. This is why today again I am warning you to pay attention to what direction the news media goes concerning what all these strange sighting we are seeing currently are. If you see any news that even suggests aliens have come to Earth to enlighten us do not believe it! Many of you who are reading this post may already be saying what I reported today will never happen.

Why am I asking you to watch these videos , just in case, I repeat, just in case if what Dr. Greer stated on the NewsMax report turns out to be true it would definitely be a strong delusion that could lead millions of people away from Jesus Christ. Since Jesus commanded us to stay on the watch, let us do exactly that, and see if the whistleblowers Dr. Greer talks about actually comes forward to reveal what the government supposedly is hiding from the public. According to Dr. Stephen Greer, the coming forward is supposed to happen in early January. One thing is for sure, by the end of January Dr. Greer will either be known as a nut job for reporting such an event which that did not happen , or what he said was the truth and the world will be casted into panic over such news. let's not forget the warning by Jesus when he said be not deceived.

### Nepal Descends Into Chaos After Social Media Ban, PM Resigns, Finance Minister Dragged Through Street

Chaos has descended on Nepal amid raging mass protests against a short-lived ban on social media, and accusations of widespread government corruption. The small Himalayan country has descended into hellish conditions in less than a mere 48 hours of raging anti-government demonstrations. The protests appear mostly led by the young, after several popular social media sites were blocked and clashes with police led to authorities firing on crowds, resulting in 19 people dead.

What did Jesus say in Revelation 13:<sup>16</sup> It also forced all people, great and small, rich and poor, free and slave, to receive a mark on their **right hands** or on their **foreheads**, <sup>17</sup> so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name. <sup>18</sup> This calls for wisdom. Let the person who has insight calculate the number of the beast, for it is the number of a man. That number is 666.

Anyone who have been coming to my prophecy site has seen all the reports I posted showing that world ID's are moving to two places on the body, the face and the hand. What you are witnessing is the prelude of what the Antichrist is going to use to filter out anyone who doesn't take his mark which will be placed in the hand or forehead. Do you really think the world's IDs being focused on the face and the hand is a coincidence?

### UK government's digital wallet plus digital ID is the digital prison

...the Labour government is currently considering a proposed mandatory, universal digital identity system, called the BritCard, advocated by the think tank Labour Together. The Britcard will be a free digital credential stored on a smartphone via the government of UK Wallet app, designed to verify an individual's right to live, work and rent in the UK. This is a digital prison. Those who comply risk not only their own autonomy but also the future freedom of their children and grandchildren. Future generations may never know what it means to live outside constant surveillance.

When the Jehovah's Witnesses come knocking on your door, you really need to know who it is that is knocking! Let me show you where the angels came from that the Watchtower Society says are guiding them? With the right answers you can help a Jehovah witness see the truth!

For years, I have conducted in-depth research into the teachings of the Watchtower Society of Jehovah's Witnesses. Sadly, the average Jehovah's Witness never questions or investigates what their leaders teach. As a result, they remain unaware that many of these teachings have been influenced by Satan and his angels, who—according to the Watchtower's own claims—are guiding their organization.

If you are a new Jehovah's Witness, I urge you: what I present in this paper is exactly what the Watchtower doesn't want you to see. Using the Watchtower's own publications and documents, I will show you that Satan is behind the organization's teachings.

Jehovah's Witnesses are sincere, well-meaning people who have been led away from the true teachings of God. And because we are living in the last days, it is more urgent than ever for you, as a Jehovah's Witness, to examine what your leaders have hidden from you.

Click the link below to see how Satan has influenced the Watchtower organization. Your eternal destiny is at stake. Your soul depends on whether you are willing to 'make sure of all things.' If you never examine your own teachings, you cannot claim to have truly 'made sure of all things'—and you cannot honestly call yourself one of Jehovah's Witnesses.

Read Chapter 21 of my book *The Rapture of the Church*.

What did Jesus mean when He gave this warning in 2 Thessalonians 2:11?

*"And for this cause God shall send them strong delusion, that they should believe a lie."*

This verse is set in the context of those who refuse to believe the truth of the Gospel and instead choose to embrace falsehoods and deception. It reveals that God allows—or permits—a powerful delusion to overtake those who reject the truth, leading them even deeper into lies. This is understood as a form of divine judgment, a consequence for their willful rejection of God's truth.

Could it be possible that when the Church of Christ is raptured and taken to heaven, the “strong delusion” will be the lie that those missing were taken by aliens—and that those left behind are actually the “good” people? When, in reality, the opposite is true?

See the link below for more insights on the rapture.
