## September 3, 2025 prophecy post with Frank DiMora

Our generation is only at the birth pain stage concerning this prophecy. The intense heat along with the fires will reach its max during the tribulation.

### Prophecy Sign: Intense Heat

Luke 21: 25 "There will be signs in the sun, moon and stars. On the earth, nations will be in anguish and perplexity at the roaring and tossing of the sea.(A)

Revelation 16:8 And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire.

9 And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory.

### GOLD AND SILVER IN PROPHECY

“And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more: The merchandise of **gold**, and **silver**, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble” (Revelation 18: 11-12).

“They shall cast their silver in the streets, and their gold shall be removed: their silver and their gold shall not be able to deliver them in the day of the wrath of the LORD: they shall not satisfy their souls, neither fill their bowels: because it is the stumblingblock of their iniquity” (Ezekiel 7:19).

## **News** Gold Just Hit a Record High. These Mining Stocks Are Glistening, Too.

Gold mining stocks were racking up gains on Tuesday, as the precious metal surged to a new high, building on its Labor Day gains.

Shares in Newmont climbed 0.9% ahead of the opening bell. Barrick Mining rose 0.8%, and Agnico Eagle Mines jumped 0.7%. The S&P 500 was 1.1% lower.

This is what is currently taking place. Increasing demand for silver typically drives up its price per ounce, assuming supply remains constrained or grows more slowly than demand. Here's a concise breakdown of why this is likely based on current trends:

- 1. Rising Industrial Demand:** Silver's use in industries like solar panels, electric vehicles, 5G technology, and electronics is growing significantly. The Silver Institute

projects industrial demand to remain robust in 2025, with a global supply deficit of ~96 million ounces. When demand outpaces supply, prices tend to rise.

2. **Price Impact:** Basic economics suggests that higher demand, coupled with limited supply, pushes prices upward. For example, silver reached \$40.84 per ounce on September 2, 2025, a 14-year high, partly due to strong industrial demand. Forecasts for 2025 (e.g., HSBC at \$35.14/oz, InvestingHaven at \$49/oz) indicate continued price increases driven by this trend.
3. **Other Factors:** While industrial demand is a key driver, prices are also influenced by investor sentiment, geopolitical risks, and macroeconomic conditions (e.g., a weaker dollar or lower interest rates). These can amplify or temper the price impact of rising demand.

**Conclusion:** The increasing use of silver in industrial applications is likely to **drive up its price per ounce in 2025**, especially with ongoing supply deficits. However, market volatility or economic shifts could affect the extent of the increase.

PROPHECY:  
Magic Arts & Drugs

The words "magic arts" in Revelation 9:21 are the equivalent to the Greek word **pharmakia** from which our word "pharmacy" is derived. It signifies the use of medicine, **drugs**, spells, such as those used in witchcraft and those used today by those who are seeking a greater "high." It has become common knowledge this generation is known as the drug generation.

Venezuelan President Nicolás Maduro warned Monday he would "declare a republic in arms" if U.S. forces in the Caribbean attacked his country. "In the face of this maximum military pressure, we have declared maximum preparedness for the defense of Venezuela," Maduro said of the **deployment**, which he characterized as "an

extravagant, unjustifiable, immoral and absolutely criminal and bloody threat."

**News** Houthi leaders flee Sanaa as Israel targets top officials

Last Thursday, Houthi Prime Minister Ahmed Ghaleb Nasser al-Rahawi was killed in a strike. Nine ministers and two cabinet officials were killed while attending a meeting. Israeli Defense Minister Israel Katz said Tuesday that senior Houthi figures are fleeing the Yemeni capital of Sanaa, abandoning civilians as Israeli airstrikes continue to target the Iran-backed group. "The remnants of the Houthi leadership are escaping Sanaa," Katz stated.

**News** Israel didn't kill a prime minister — it took out a terrorist leader

When Israel struck Ahmed al-Rahawi, the so-called "prime minister," it wasn't an assassination of a head of state, it was the elimination of a terrorist leader, akin to taking out a mafia boss.

## **News** The launch that caused panic: Ofek 19 spy satellite is on its way to space

Residents across Israel reported seeing what looked like an interceptor launched from the Palmachim Air Base late Tuesday night. The Defense Ministry quickly clarified that the streak in the sky was the successful launch of the Ofek 19 reconnaissance satellite. Upon entering Earth's orbit, the satellite will undergo a series of designated tests to assess its integrity and performance, according to the Defense Ministry.

According to Zechariah 12:3, "On that day I will make Jerusalem a heavy stone for all peoples; all who attempt to lift it will injure themselves badly, though all the nations of the earth will gather against it.". This verse describes Jerusalem as an immovable rock that will cause

harm to anyone who tries to attack or conquer it, signifying its strength and protection by God when all nations are gathered against it. Who owns Jerusalem? The Jews. So you can bet all the nations will turn on the Jews in the last days and that is what we are witnessing!

## **News** ' Hamas will not release hostages, Israel must fight to finish the mission'

Israeli war hero Brig. Gen. (res.) Avigdor Kahalani spoke to Arutz Sheva-Israel National News about Operation Gideon's Chariots II, for which tens of thousands of reservists were called up today (Tuesday), with the goal being an incursion into and capture of Gaza City. According to Kahalani, he sees no chance of an arrangement that would lead Hamas to release the hostages or sign an agreement that Israel could live with. "I don't see such a chance, and I also don't see how any agreement between us and them would allow us to live in the future without endangering the very existence of the State of Israel." "They will not return the hostages. This is their bargaining chip. We will have to search for them and find them.

They weren’t in uniform—they wore jeans and T-shirts. They looked like ordinary people, but their eyes were filled with pure evil. They came to kill, to slaughter.” This isn’t just a military battle; it’s a fight for our very soul, our existence. For us, this is a sacred mission.”

## **News** China, Russia & India Just Teamed Up In Global Shift: What Next for the West?

In Tianjin on 1 September, China’s Xi Jinping told visiting leaders that it’s time to “take a clear stand against hegemonism and power politics” – a thinly veiled swipe at the US and President Trump – pitching the Shanghai Cooperation Organization (SCO) as a platform to launch a totally different world order. Russia’s Vladimir Putin, fresh from peace talks with Trump, said “NATO enlargement has to be addressed” before any real settlement can be discussed with Ukraine, and India’s Narendra Modi made his first trip to China in seven years. Modi affirmed that New Delhi and Moscow have always “walked shoulder to shoulder... even in the most difficult situations,” and is clearly open to thawing the relationship between India and China. <https://expose-news.com/2025/09/02/china-russia-india-global-shift-what-next/>

Jesus instructed his followers to "keep watch" in at least three key places: in the Garden of Gethsemane (Matthew 26:38, 41), telling his disciples to pray with Him and stay alert to temptation; in the [Olivet Discourse](#) (Matthew 24:42, Mark 13:33), where He urged them to be ready for His return; and in the [Parable of the Ten Virgins](#) (Matthew 25:13), where He again emphasized that they must be ready, as they do not know the day or the hour of His coming.

## **News** Anticipation Or Apathy: Professing Christians Have Become The Very Mockers Peter Warned Would Arise In The Last Days

Coming as a direct repudiation of Catholic resistance to widespread Bible reading and comprehension, a new wave of understanding was unleashed when people began to read God's Word for themselves—and accept a plain-sense understanding of what He revealed through prophecy. The leading men of the "Enlightenment" almost universally credited their blossoming knowledge to God's Word and their belief that He revealed Himself and certain mysteries in order that they might be understood.

Throughout the Middle Ages, leading scholars and what are now categorized as scientists found both inspiration and understanding in the Word of God. And many of them lived expectantly, looking for Jesus to return. Yet, instead of yearning, many professing followers of Christ are

yawning. Lulled to sleep by the misconception that “all continues just as it was from the beginning of creation,” (2 Peter 3:4), they become the very mockers Peter warned would arise in the Last Days.

### **News** Feel Safe Now? License Plate Readers Are Tracking You Everywhere You Drive

This is so egregious that I don't know where to begin. A startup company founded in 2018, Flock Safety, funded by Andreessen Horowitz (Marc Andreessen) and Founders Fund (Peter Thiel), among others, has invented a scalable device that can be mounted anywhere, which sucks data from every passing vehicle. It is self-powered with a solar panel and communicates via WiFi. It can be mounted on any type of pole, and they also sell the poles. These cameras can capture every license plate passing by on a

busy four-lane freeway, but it doesn't stop there: it records the make and color of your vehicle, any identifying features like window stickers or vehicle damage. Thus, it "fingerprints" your car. <https://www.technocracy.news/feel-safe-now-license-plate-readers-are-tracking-you-everywhere-you-drive/>

I believe the seed of men in Daniel 2 can be applied to the seed that came from Hagar and Sarai which turned out to be the seeds of Islam and Christianity. The **Hagar and Sarah connection** comes from the book Genesis. Hagar's son Ishmael is associated with the Arab peoples, and Sarah's son Isaac with Israel. Later Islam historically arose from Ishmael's lineage, while Christianity arose from the fulfillment of God's covenant through Isaac and Jacob leading to **Christ**. We see these two seeds battling it out in the news now.

In 2016 I produced a video concerning the European Union which has the same nations in it as the Old Roman Empire. I show how these two seeds at the present time in the

European Union (EU) is dividing into Islam and Christianity. We see in Daniel 2:43 these types of seeds do not mix. What has been taking place in Europe, Canada, Australia is exactly what I said was going to happen and, it has also begun to grow in America. There is no question in these last days we are witnessing these two seeds that lead to Islam against Christianity coming against each other.

When the Jehovah's Witnesses come knocking on your door, you really need to know who it is that is knocking! Let me show you where the angels came from that the Watchtower Society says are guiding them? With the right answers you can help a Jehovah witness see the truth!

For years, I have conducted in-depth research into the teachings of the Watchtower Society of Jehovah's Witnesses. Sadly, the average Jehovah's Witness never questions or investigates what their leaders teach. As a result, they remain unaware that many of these teachings have been influenced by Satan and his angels, who—according to the Watchtower's own claims—are guiding their organization.

If you are a new Jehovah's Witness, I urge you: what I present in this paper is exactly what the Watchtower doesn't want you to see. Using the Watchtower's own publications and documents, I will show you that Satan is behind the organization's teachings.

Jehovah's Witnesses are sincere, well-meaning people who have been led away from the true teachings of God. And because we are living in the last days, it is more urgent than ever for you, as a Jehovah's Witness, to examine what your leaders have hidden from you.

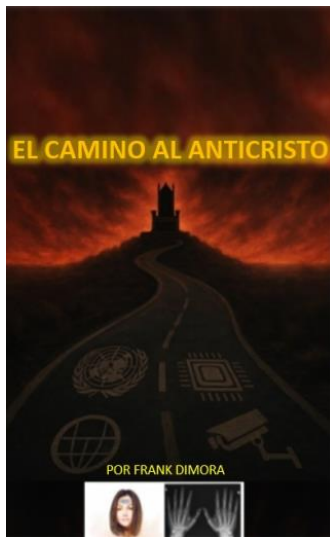

Click the link below to see how Satan has influenced the Watchtower organization. Your eternal destiny is at stake. Your soul depends on whether you are willing to 'make sure of all things.' If you never examine your own teachings, you cannot claim to have truly 'made sure of all things'—and you cannot honestly call yourself one of Jehovah's Witnesses.

**Read Chapter 21 of my book *The Rapture of the Church*.**

What did Jesus mean when He gave this warning in **2 Thessalonians 2:11**?

*"And for this cause God shall send them strong delusion, that they should believe a lie."*

This verse is set in the context of those who refuse to believe the truth of the Gospel and instead choose to embrace falsehoods and deception. It reveals that God allows—or permits—a powerful delusion to overtake those who reject the truth, leading them even deeper into lies. This is understood as a form of divine judgment, a consequence for their willful rejection of God’s truth.

Could it be possible that when the Church of Christ is raptured and taken to heaven, the “strong delusion” will be the lie that those missing were taken by aliens—and that those left behind are actually the “good” people? When, in reality, the opposite is true?
