

The warning from Ezekiel 43:8 concerning the **Third Jewish Temple that is going to be built soon**. This is what Ezekiel 43:8 states. "In their setting of their threshold by my thresholds, and their post by my posts, and the wall between me and them, they have even **defiled my holy name** by their abominations that they have committed: wherefore I have consumed them in mine anger."

Let me walk you through Ezekiel 43:8 so you understood the warning related to the Third Jewish Temple that will stand on the Temple Mount in Jerusalem and, its defilement by the Antichrist, in light of both Old and New Testament prophecy. Here are the key concepts to this prophecy. **Thresholds "by My thresholds"** – man-made buildings or authority placed next to God's domain, **Wall "between Me and them"** – a separation (physical), Defilement of His holy name through abominations, Result: God's judgment and His glory departing from the Temple.

You may have heard the saying, we learn from our past not to make the same mistakes in the future? When it comes to the Jewish Third Temple of the last days we see the Jews will ignore their past mistakes and, their actions will lead them to echo their past. Let me explain.

Take a look at what happened to the first Jewish Temple and its destruction. The Destruction and Defilement of the First Jewish Temple (Solomon's Temple). The First Jewish Temple, commonly known as Solomon's Temple, was the central place of worship for ancient Israel and the symbolic dwelling place of God's presence on Earth. Built in the 10th century BC under the reign of King

Solomon, it stood in Jerusalem for nearly four centuries. However, due to widespread disobedience, idolatry, and national corruption, the temple was ultimately defiled and then destroyed by a foreign power as an act of divine judgment.

Who Destroyed the First Temple? The destroyer of that Temple was Nebuchadnezzar II, King of Babylon. Date of Destruction: 586 BC. After a prolonged rebellion by the Kingdom of Judah, Nebuchadnezzar invaded Jerusalem, looted the Temple's treasures, burned it to the ground, and exiled the people of Judah to Babylon. This marked the beginning of the Babylonian Captivity.

We know for sure that Third Jewish Temple will be defiled just like the first and second Temples were. So, how was the First Temple Defiled? The destruction of Solomon's Temple did not happen suddenly. For centuries, the people of Judah, including their kings and priests, engaged in practices that defiled the Temple, violating its holiness and the covenant with God. Solomon himself introduced idolatry. Solomon married many foreign wives who turned his heart away from God as seen in (1 Kings 11:1–8). He built pagan shrines to gods like Ashtoreth, Chemosh, Molech, and others. These shrines were placed in and around Jerusalem, compromising the sanctity of the city and possibly influencing Temple worship. Pagan Worship was seen within the Temple. How? Several later kings worsened the defilement as seen in King Manasseh (2 Kings 21:1–9). He reigned for 55 years and was considered one of the wicked kings. He set up altars to Baal and Asherah poles inside the Temple. He engaged in child sacrifice, sorcery, and necromancy and, built altars for the host of heaven (sun, moon, stars) in the Temple courts. That Temple turned into a Center for Immorality (2 Kings 23:4–7)

These practices deeply polluted the sacred space, turning God's house into a hybrid of pagan and Israelite religion—a direct violation of His commands. Why Was the Temple Destroyed? The destruction of the Temple was the result of God's judgment for the following reasons.

- Idolatry and false worship
- Moral and social injustice
- National rebellion against God's covenant
- Persistent refusal to repent, despite repeated warnings from prophets like Jeremiah, Isaiah, and Ezekiel

2 Chronicles 36:15–16 tells us, "But they mocked the messengers of God, and despised his words... until the wrath of the Lord arose against his people, till there was no remedy."

So, did the Jews learn from their mistake? No. Keep in mind, I am showing you the Jewish past because the past showed the same thing happened to the second Jewish Temple and our present generation will again witness the same thing that happened to the first and second Temple will happen again.

Yet, even in judgment, God promised restoration. The exile gave birth to a renewed desire for holiness, leading eventually to the construction of the Second Temple—and, ultimately, to the messianic hope of a new and everlasting dwelling of God among His people. Time showed us that the Jews did not learn their lesson to honor God. When Jesus showed up the topic of what was going to happen to the second Temple came up.

The Destruction of the Second Jewish Temple: When and Why It Happened

The Second Jewish Temple, originally built after the Babylonian exile, was the central place of worship for the Jewish people for over 500 years. It stood as the heart of Jewish religious, social, and national life in Jerusalem. Despite its grandeur and sacred significance, the Temple was ultimately destroyed by the Romans in the first century AD—a pivotal event in both Jewish and world history. The Second Temple: Original Construction: Around 516 BC under Zerubbabel, following the decree of Cyrus the Great (Ezra 1–6). Expanded and Renovated: Extensively refurbished by Herod the Great starting around 20 BC, making it one of the most magnificent structures of the ancient world. The second Temple was also located on Mount Moriah in Jerusalem (same site as Solomon’s Temple which, our generation knows as the Temple Mount in Jerusalem. This Temple is the one present during the time of Jesus and the New Testament. Fact is Jesus told his Apostles that the second Temple would be destroyed. This is what he stated in Matthew 24:1–2 Jesus left the **temple** and was going away, when his disciples came to point out to him the buildings of the **temple**. But he answered them, “**You see all these, do you not? Truly, I say to you, there will not be left here one stone upon another that will not be thrown down.**”

40 years after the Jews had the Roman Empire kill Jesus, Jesus prophecy came to pass in 70 AD. The Roman Empire destroyed the Temple under General Titus, son of Emperor Vespasian during the suppression of the Jewish Revolt (66–73 AD). The destruction took place after a brutal **five-month siege of Jerusalem**, during which hundreds of thousands of Jews were killed, and the city was laid in ruins.

How Was It Destroyed? The Romans breached the walls of Jerusalem in August 70 AD. The Temple was burned and demolished, and its sacred objects were taken to Rome. **Not one stone was left upon another**, fulfilling Jesus' prophecy in Matthew 24:2: “**There shall not be left here one stone upon another, that shall not be thrown down.**” The **Ark of the Covenant** was no longer present in this temple (it had been lost during the First Temple’s destruction), but the Temple still contained the Holy Place and the Holy of Holies. However, The destruction of the second Temple marked the end of the **Jewish sacrificial system**, which has not resumed to this day.

Now To The Most Important Question. Why Was the Second Temple Destroyed?

From a spiritual point of view (especially in the New Testament and writings of the early Church), the destruction of the Temple was seen again as **God’s judgment** for the **Rejection of the Messiah (Jesus Christ)**. Jesus repeatedly predicted the Temple’s destruction as a judgment for **Israel’s spiritual blindness and rejection of Him** as the Messiah. This is what Jesus stated in Luke 19:43–44 “**For the days shall come upon thee, that thine enemies shall cast a trench about thee... and shall lay thee even with the ground... because thou knewest not the time of thy visitation.**” Matthew 23:37–38 “**O Jerusalem, Jerusalem... Behold, your house is left unto you desolate.**” Christ pointed out the **Religious Hypocrisy and Corruption**. The Gospels describe the Temple leadership (chief priests, scribes, Pharisees) as being: More concerned with power and ritual than righteousness, Guilty of **exploiting worship**, such as turning the Temple into a “**den of thieves**” (Matthew 21:12–13) Resistant to truth, and **persecutors of the prophets** sent by God. What did the destruction of the second Temple bring? Jesus also warned about the Third Temple which would also follow suit as the First and Second Jewish Temples. Ever since Jesus rose from the dead the

Jews still to this day refuse to except Jesus came to Earth as God in the form of a man whose name was Jesus Christ. By the way, the destruction of the Second Temple **Brought An End of the Old Covenant System:** The destruction of the Temple marked the official end of the Mosaic sacrificial system. Jesus' death and resurrection fulfilled the need for sacrifices (see Hebrews 10:10–14), rendering the Temple system obsolete. This is where you will see Ezekiel 43:8 come into play in these last days.

Connection to Ezekiel 43:8. This is a real historical example of the exact "**abominations**" that **Ezekiel 43:8** refers to: "They set their threshold by My threshold... and defiled My holy name by their abominations..." As I implied earlier, this **corruption of God's Temple** becomes a **pattern and warning:** In the **last days**, a **Third Temple** will be built. At my prophecy sites over the course of the past few years I have been showing you how the status quo for the Jews on the Temple Mount is changing. That Jewish Third Temple Jesus told us about may take place any time now. I have been showing it may begin as a **return to Jewish worship as there is a huge push for the Jews to be able to go up to the Temple Mount and be able to pray and yes build that Third Temple.** Just as the first and Second Temples were defiled this Third Temple will follow suit. The Third Temple will be **Defiled by the Antichrist.** 2 Thessalonians 2:4 ⁴Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God **sitteth in the temple** of God, shewing himself that he is God. The Antichrist will go into that Third Jewish Temple and, the world will see false worship and the abomination of desolation take place just the same as with the first two Jewish Temples

Ezekiel 43:8 and **2 Kings 23:4–7** both serve as reminders: God will **not share His house** with idols or unholiness. **Any attempt to worship God while tolerating sin** brings judgment, not blessing. Ezekiel 43:8 is **looking back** on these events but also **warning forward:**

The Jews should have learned if God's house is again profaned, His glory cannot dwell there. The Third Temple has nothing to do with God, because Jesus is our Temple. The Jews still don't get the message that Christ' death was the last and final sacrifice. The only reason why a Third Jewish Temple is to be build is to fulfill bible prophecy.

So, what is the near future for the Jews? **Daniel 9:27** – The Antichrist will confirm a 7 year covenant with the Jews and their enemies and then **break that covenant three and a half years after he confirms it**, stopping the sacrifices that are once again allowed. The Jews will witness Paul's warning in **2 Thessalonians 2:4** – "He **“sits in the temple of God,”** claiming to be God", and, you can count on the Jews to complete what was written in **Revelation 11:1–2** – John is told to **measure the Temple**, implying it exists during the Tribulation. So, the Third Temple will be initially restored for **Jewish worship**. Appear holy but eventually be **defiled by the Antichrist**. The Third Temple is going to become the stage for the **abomination of desolation** as seen in (Matt. 24:15).

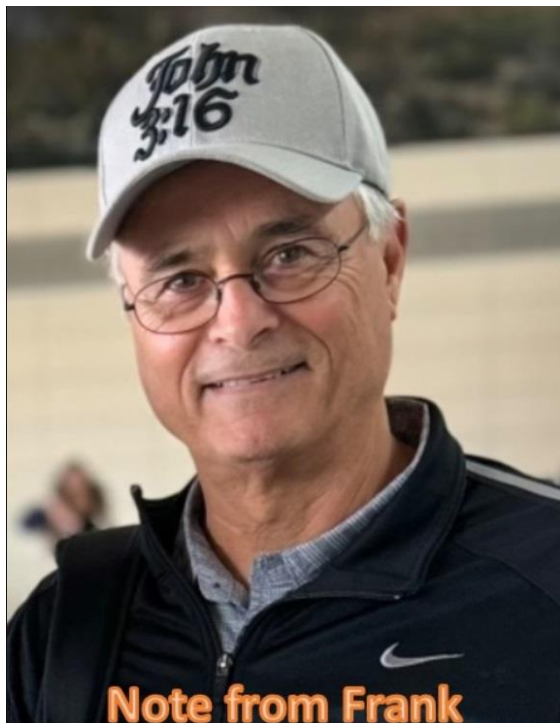

How Close Are We to Seeing The Jews Going Up To The Temple Mount To Pray And Build that Third Temple? Anyone coming to my prophecy sites, at www.bibleprophecyman.com or, <http://endtimesresearchministry.com> or, https://frankdimora.typepad.com/the_last_chronicles/ has seen all the current news showing the Jews are making huge steps in changing the current status quo on that Temple Mount. Since 1948, the Arabs have been able to keep the Jews off the Temple

Mount. The Arab nations don't want the Jews to have the same rights to pray and worship on the Temple Mount as the Arabs have. However, as I have warned many times at my site the current status quo on that Mount is already changing. The Israeli government won't come right out and tell you that, but the news is full of reports showing that the status quo is defiantly changing in favor of the Jews.

I believe as soon as the current Gaza Israel war is over you are going to see many other Islamic nations joining the Abraham Accords that started by President Trump in 2023.

At some point in the near future when more Arab nations enter into the Abraham Accords and, there is a timeframe signed that is for a period of seven years you will know for a certainty that the Abraham Accords are what Daniel 9:27 was referring to. For those of you who are unfamiliar with Bible prophecy it will be the Antichrist who will confirm that seven year covenant between Israel and the Arab nations. So watch the news with me because the more nations that joint the Abraham Accords the closer we are to seeing Daniel's warning of chapter 9:27 being fulfilled.

I've been warning you, you would hear a lot more news concerning these Abraham Accords along with more news showing that the **status quo** for the Jews on the Temple Mount would change.

In this next section, I want to share the latest news I've been presenting on my prophecy sites—news that strongly suggests we are getting very close to the Jews being granted full access to the Temple Mount, similar to the access currently enjoyed by Muslim worshipers.

This will be an ongoing PDF file, where I will continue to share reports documenting Jewish visits to the Temple Mount, as well as developments related to the Abraham Accords—which I believe may ultimately lead to a change in the current status quo.

If you follow along, you'll witness how the Lord is actively moving to fulfill the remaining prophecies that have yet to come to pass.

In this next section I want to show you all the most current news I have been showing my viewers at my prophecy sites which, will prove we are very close to the Jews being allow full access to the Temple Mount just as the Islam worshipers have access to that Mount. If you stay with me you will see firsthand how the Lord is moving to bring about the rest of the prophesies which haven't been fulfilled yet.

May 2022, I told you what to expect concerning Jews going up to the Temple Mount. The only reason why I continue to warn you is the hope that you will pay attention to what Jesus has

revealed for us in these last days.

In my video clip above from Oct. 6, 2021, I talk about the steps that will change the status quo on the Temple Mount. I stated the **next domino** in the Temple -status progression would be a legal or official breakthrough allowing **open Jewish prayer** on the Mount—breaking the long-held status quo. While the video was posted in late 2021, I also refer to my earlier warning from July 2017. The reason why I bring this up is just to show you we are moving closer to the fulfillment of the prophecies that haven't been fulfilled yet. I do this in hopes that signs will encourage you to keep on the watch. As I stated, the Status quo on the Temple Mount was going to change and it is!

For the first time in years, Jewish visitors to the Temple Mount were permitted to sing and dance openly across the entire compound, marking a historic shift in enforcement policy under Minister of National Security Itamar Ben-Gvir. The move reverses a long-standing status quo, under which Jewish worshippers were regularly detained or removed for quietly praying or even mouthing words. Many were later banned from the site for weeks or months. But under new instructions from Ben-Gvir, the Israel Police have been directed to allow open Jewish prayer and singing throughout the holy site. “ The move reverses a long-standing status quo, under which Jewish worshippers were regularly detained or removed for quietly praying or even mouthing words.”

Abraham Accords warning explained by Frank DiMora

DANIEL 9:27 ²⁷ **And he shall confirm the covenant with many for one week:** and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

The prophet Daniel was given a prophecy of 490 years specifically for the Jewish people, which was divided into three distinct time periods.

The first period lasted 49 years, during which the Jewish Temple was rebuilt. The second period spanned 434 years, from the completion of the Temple to the very day Jesus entered Jerusalem riding on a donkey. After this, there was a pause in the prophetic timeline—commonly understood as the Church Age.

The final segment of the prophecy is a period of 7 years. This final 7-year period will begin when the Antichrist confirms a covenant with Israel and many others, as described in Daniel 9:27. During this time, the Third Jewish Temple will be built.

Halfway through this 7-year period—after 3½ years—the Antichrist will break the covenant, enter the Temple, and declare himself to be God. This marks the beginning of great tribulation on the earth.

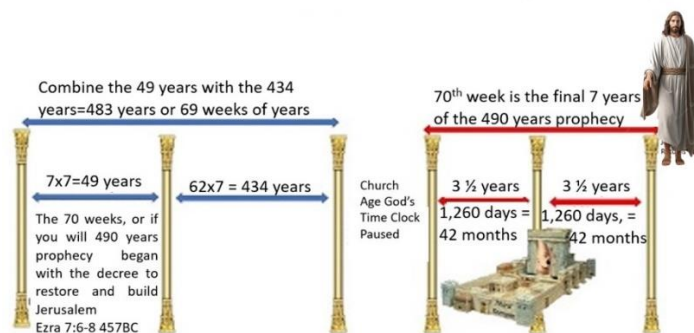

It is at this point that the Antichrist begins to enforce what is commonly known as the "mark of the beast," demanding that all people receive a mark on their right hand or forehead. Revelation 13:16–18 describes this moment:

“And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.”

Understanding this timeline reveals the significance of what we are seeing today. The increasing efforts of Jews to ascend the Temple Mount to pray and worship is a prelude to the fulfillment of Daniel's prophecy—the confirmation of the 7-year covenant and the construction of the Third Temple.

Now for the Abraham Accords News. Below you can see the progression of the Accords as it unfolds leading to other Arab nations joining those accords. The Abraham Accords started on September 15, 2020. Below you will see how the Accords started and all reports beginning with the most recent news.

THE ABRAHAM ACCORDS, EXPLAINED

On September 15, 2020, leaders across the Middle East signed the Abraham Accords. This landmark agreement normalized diplomatic relations between Israel and the United Arab Emirates and Bahrain, then later a renewal in ties with Morocco. The Abraham Accords are a game changer in the Middle East, providing new opportunities for direct flights, people-to-people exchanges, business partnerships, and government agreements that have all led to investment and growth in the area. <https://www.ajc.org/abrahamaccordsexplained>
