News Mysterious Object Headed Into Our Star System Is Now Changing Color

As interstellar object 3I/ATLAS approaches its closest point to the Sun next month, the mysterious visitor continues to fascinate astronomers. Their observations showed that the object's coma has now transitioned from giving off red light to green, yet another fascinating wrinkle in the rare interstellar visitor's odyssey through our solar system. As Harvard astronomer and noted alien hunter Avi Loeb pointed out in a recent blog post on the findings, this could be due to a "steep rise in the production of cyanide." Scientists hypothesize that the production of the chemical, alongside nickel, are increasing dramatically as 3I/ATLAS approaches the Sun.

News Israeli ambassador vows more attempts on Hamas leaders after Doha strike

Israel will continue its pursuit of Hamas' top leadership, even after the seemingly failed attempt to kill them in a strike on Qatar, Jerusalem's ambassador to the United States said Tuesday night. "If we didn't get them this time, we'll get them the next time," Ambassador Yechiel Leiter told Fox News. He acknowledged Israel might face criticism but added, "They'll get over it. And Israel is being changed for the better."

News IDF Chief of Staff: 'We are going to bring down Hamas, and nothing will stop us'

"We are moving forward toward the next stages in the mission of dismantling the Hamas regime – this is our objective. We are going to bring down this regime, and nothing will stop us from accomplishing this mission. Before us stand two goals: the release of the hostages, which is a moral mission of utmost importance, critical, and essential, and alongside it, the mission of dismantling Hamas. These are the missions of our generation," the Chief of Staff stated.

Note from Frank

Did you know the Lord showed us that the world would come against the Jews in the last days? Antisemitism has been on the raise and it is the road that is leading to the fulfillment of Zech. 12:3.

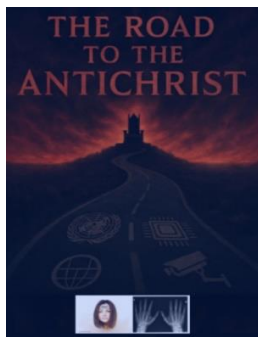

According to Zechariah 12:3, "On that day, I will make Jerusalem a heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it. This stone, which has been laid as an impossible task, has not been laid to anyone who was to attack or conquer it, applying its strength and possession. So God, who is all powerful and powerful against all who come against it, has laid it on the Jews in the last days and that is what we are witnessing."

Zechariah 12:3 And it

shall happen in that day that I will make Jerusalem a very heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it.

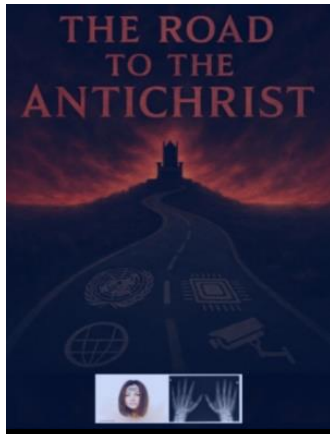

News Germany Presses Main Mosque Network to Distance Itself From Erdogan Ally Over Antisemitism

Amid a rising wave of anti-Jewish hate crimes, the German government is pressing the country's main mosque association over its close ties to Turkish President Recep Tayyip Erdogan, urging it to publicly distance itself from his antisemitic and anti-Israel rhetoric. According to local reports, German authorities have told the Turkish-Islamic Union for Religious Affairs (DITIB) — the country's largest mosque network — to formally break with Erdogan's hateful statements or risk losing government support and cooperation.

News Online Safety Act: UK government's global censorship has turned up a notch

"This week, the UK government has openly moved from using the Online Safety Act for age verification to using it for censorship. On Monday, the Government announced urgent action to strengthen the Online Safety Act by amending it to classify content encouraging or assisting serious self-harm as a "priority offence" for all users, not just children. This change will legally require tech companies to proactively use cutting-edge technology to hunt down and remove such material before it can reach users, rather than simply reacting after it has been published."

We know from the book of Revelation the Antichrist will control a one world government. There is no doubt this Antichrist will track down anyone who refuses to take his mark. Look for more governments to fall into debt crisis as we are currently seeing take place in France. Something major is coming that will lift the Antichrist up to solve the world's economic crisis. I am a realist, if you think our world economic system is going to get better you don't know what the book of Revelation says!

News France's debt crisis should serve as a warning to others

France's debt-to-GDP ratio has risen significantly, from 60% in 2000 to 113% by the end of 2024, with debt-service costs expected to become the second-largest budget item by 2026. The country is also experiencing a political crisis. Prime Minister Francois Bayrou has been struggling to pass the 2026 budget and secure a majority. Financial and debt crises aren't so much solved as covered up by political actions aimed at alleviating market anxieties, Fabian Wintersberger writes.

Roman 1: 26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: 27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. 28 And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;

PROPHECY:
Magic Arts & Drugs

The words "magic arts" in Revelation 9:21 are the equivalent to the Greek word *pharmakia* from which our word "pharmacy" is derived. It signifies the use of medicine, **drugs**, spells, such as those used in witchcraft and those used today by those who are seeking a greater "high." It has become common knowledge this generation is known as the drug generation.

When the Jehovah's Witnesses come knocking on your door, you really need to know who it is that is knocking! Let me show you where the angels came

from that the Watchtower Society says are guiding them? With the right answers you can help a Jehovah witness see the truth!

For years, I have conducted in-depth research into the teachings of the Watchtower Society of Jehovah's Witnesses. Sadly, the average Jehovah's Witness never questions or investigates what their leaders teach. As a result, they remain unaware that many of these teachings have been influenced by Satan and his angels, who—according to the Watchtower's own claims—are guiding their organization.

If you are a new Jehovah's Witness, I urge you: what I present in this paper is exactly what the Watchtower doesn't want you to see. Using the Watchtower's own publications and documents, I will show you that Satan is behind the organization's teachings.

Jehovah's Witnesses are sincere, well-meaning people who have been led away from the true teachings of God. And because we are living in the last days, it is more urgent than ever for you, as a Jehovah's Witness, to examine what your leaders have hidden from you.

Click the link below to see how Satan has influenced the Watchtower organization. Your eternal destiny is at stake. Your soul depends on whether you are willing to 'make sure of all things.' If you never examine your own teachings, you cannot claim to have truly 'made sure of all things'—and you cannot honestly call yourself one of Jehovah's Witnesses.

Read Chapter 21 of my book *The Rapture of the Church*.

What did Jesus mean when He gave this warning in 2 Thessalonians 2:11?

"And for this cause God shall send them strong delusion, that they should believe a lie."

This verse is set in the context of those who refuse to believe the truth of the Gospel and instead choose to embrace falsehoods and deception. It reveals that God allows—or permits—a powerful delusion to overtake those who reject the truth, leading them even deeper into lies. This is understood as a form of divine judgment, a consequence for their willful rejection of God's truth.

Could it be possible that when the Church of Christ is raptured and taken to heaven, the “strong delusion” will be the lie that those missing were taken by aliens—and that those left behind are actually the “good” people? When, in reality, the opposite is true?

See the link below for more insights on the rapture.
