September 4, 2025 prophecy post with Frank DiMora

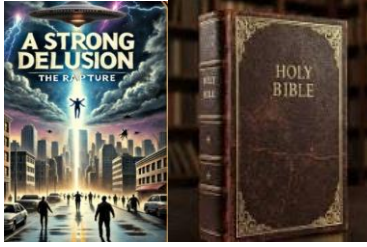

Joel 2:30–31 *“And I will shew wonders in the heavens and in the earth, blood, and fire, and pillars of smoke. The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the Lord come.”* **Luke 21:25–26** *“And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men’s hearts failing them for fear...”*

News Blood Moon eclipse visible across Africa, Europe, Asia, and Australia on September 7

A total lunar eclipse will occur on September 7, 2025, and be visible to over 5 billion people across Africa, Europe, Asia, and Australia. The totality will last 82 minutes, making it the longest total lunar eclipse since 2022.

2 Thessalonians 2:10–12 *“And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause **God shall send them strong delusion**, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.”*

Is it possible that the strong delusion just might come when they tell us those UFO's and aliens are real?

News Project Blue Beam and the Alien Deception: How the Globalists Plan to Enslave Humanity

...The alien invasion narrative—whether real, staged, or demonic—is the ultimate false flag. It gives the elites cover for total control. The UN, WEF, and Pentagon won't save us—they'll enslave us. The only defense is preparation: spiritual, mental, and physical. Common sense says don't wait. Because when the sky darkens and the “visitors”

arrive, the true battle won't be with aliens—it will be for the soul of humanity.

I believe the seed of men in Daniel 2 can be applied to the seed that came from Hagar and Sarai which turned out to be the seeds of Islam and Christianity. The **Hagar and Sarah connection** comes from the book Genesis. Hagar's son Ishmael is associated with the Arab peoples, and Sarah's son Isaac with Israel. Later Islam historically arose from Ishmael's lineage, while Christianity arose from the fulfillment of God's covenant through Isaac and Jacob leading to **Christ**. We see these two seeds battling it out in the news now.

In 2016 I produced a video concerning the European Union which has the same nations in it as the Old Roman Empire. I show how these two seeds at the present time in the European Union (EU) is dividing into Islam and Christianity. We see in Daniel 2:43 these types of seeds do not mix. What has been taking place in Europe, Canada, Australia is exactly what I said was going to happen and, it has also begun to grow in America. There is no question in

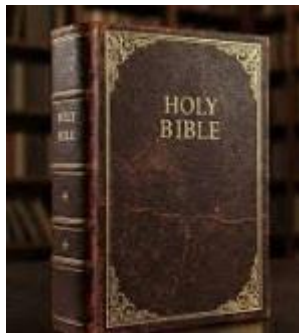

these last days we are witnessing these two seeds that lead to Islam against Christianity coming against each other.

If you don't watch the video below, you may not understand the article below the video.

News Mamdani's Inner Circle is Full of Young, Rich Commies Who Could Rule NYC for Years to Come

Democratic Socialist Zohran Mamdani has padded his inner circle with young Gen Zers who have little to no political experience. They are, for the most part, wealthy, elitist communists who want to profit as the Big Apple rots.

1 Timothy 4:1-2 – *"Now the Spirit expressly says that in **latter times** some will depart from the faith, giving heed to deceiving spirits and doctrines of demons, speaking lies in hypocrisy, having their own conscience seared with a hot iron."*

News Burning Man is crazier than usual with a murder mystery, ‘demonic’ claims and a surprise birth

This year’s Burning Man festivities in the Nevada desert were stranger than usual with an unexpected birth, a death, and a crazy windstorm. Burning Man’s famous Orgy Dome was brought down by the strong gusts.

News ‘Unstoppable’: Xi Unveils Nuclear Triad In Military Parade Challenging West, Alongside Putin & Kim

Chinese leader Xi Jinping’s massive military parade in Tiananmen Square marking the end of World War II, and attended by world leaders, mostly notably so-called ‘pariahs’ Russian President Vladimir Putin and North Korea’s Kim Jong Un, hasn’t disappointed – and even elicited a quick response from President Trump.

Israel intensifies Gaza City attacks as UN warns of 'horrific' consequences for displaced families [Link](#)

Matthew 24:6-7 You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. ⁸ Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places.

News

The left's covert "dirty war" in Britain could lead to civil war – it's not by accident, it's their strategy

Britain's descent into civil war is not accidental, but rather a result of the country's embrace of liberal dogma and the actions of its self-anointed managerial and political elite, Professor Michael Rainsborough writes... The aim of imperial governance, Prof. Rainsborough says, "is to rule by division: to fracture society into communities, reward loyal in-groups and discriminate against the majority through a two-tier system of justice, policing and social policy. The new imperialists are 'diversity coordinators', anti-racism activists, curriculum de-colonizers, climate

campaigners and their mission is unchanged: to manage society by division.”

The bible makes it very clear in the last days the Antichrist is going to control the world's economy. He will do so by forcing everyone to take his mark as you see in the prophecy below. We know some thing major is going to take place in the global economy to lift the Antichrist up to the position Jesus shows us in Revelation chapter 13. A one world economic system. We are seeing the path being set in our present world economy to bring on that Antichrist.

PROPHECY

(Revelation 13:16-18)

"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark **in their right hand, or in their foreheads:** And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred three score and six", or 666."

News Sainsbury's is trialling Orwellian live facial recognition in select UK shops

From Tuesday, 2 September 2025, Sainsbury's has begun an eight-week trial of facial recognition technology in two of its UK stores. The company says that the move is in response to rising retail crime, including theft, violence and abuse against staff. The technology, provided by Facewatch, is designed to identify people who have

previously engaged in violent, aggressive or criminal behavior in stores by scanning faces via CCTV and comparing them against a watchlist compiled by Facewatch.

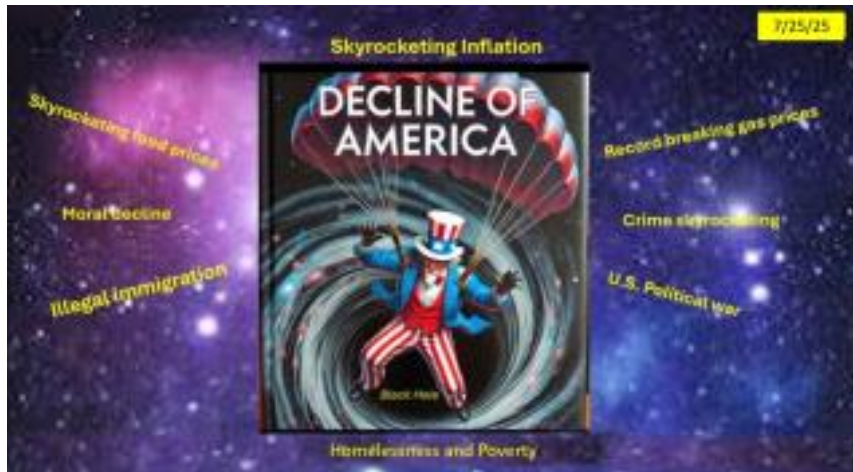

News **Chicago Mayor Incites Union Members to ‘Defend’ City from Trump and the Federal Government**
Dead bodies are piling up in Chicago every day as Mayor Brandon Johnson (D) rails against President Trump and vows that union members will fight the government to keep the National Guard off their streets to restore law and order. It’s simply Orwellian.

News World Council for Health Florida declares mRNA injections are weapons of mass destruction

Earlier this year, Dr. Joseph Sansone drafted a bill, the 'Sansone mRNA Bioweapons Prohibition Act', for all 50 states in the USA, and other countries, to introduce into their respective legislatures. It was introduced in the Minnesota legislature in April 2025. Dr. Sansone's proposed legislation is groundbreaking because it is the first proposed legislation that recognizes that mRNA nanoparticle injections are already illegal according to existing state laws regarding bioweapons or weapons of mass destruction, and it creates a criminal and civil offence for non-enforcement. Yesterday, the World Council for Health Florida announced that they are endorsing Dr. Sansone's proposed bill.

What Will Happen to America in the Last Days?

Many people are asking what role—if any—America will play during the last days. While the Bible does not specifically name the United States, it does give us insight into the global landscape during the end times. One of the clearest revelations is that a **One World Government** will emerge, led by the **Antichrist**. Both the Book of Daniel and the Book of Revelation describe this man of sin rising to power and forcing the world to submit to his rule by taking his identification mark—what Scripture refers to as the number **666**.

Given that America is currently the world's leading superpower, **something significant must happen** to remove her from that position in order for this new global leader to take control. As of September **2025**, the United States' national debt has surpassed **\$36.60 trillion** and continues to grow. Could this massive debt trigger a collapse of the U.S. economy, leading to a global financial meltdown that paves the way for the Antichrist's rise? Or will it be a devastating war that weakens America, leaving

the door open for a new world leader? Some say it will be America's moral decay that breaks her down.

Whatever the cause, **Scripture points to a dramatic shift in global power.** The only possible reference to the United States in prophecy may be found in **Ezekiel 38**, where the "young lions" protest the Gog-Magog invasion of Israel. However, there is **no indication that these young lions take any meaningful action to help Israel.** This silence could suggest that America has lost its influence and ability to act on the world stage.

In any case, the fall of America's global dominance appears to be a necessary step in the fulfillment of end-time prophecy. The rise of the Antichrist and the formation of the One World Government will not happen until the current superpowers are removed or subdued—and America's fall may be the key event that accelerates that process.

***News* New Poll Finds Nearly 70% Of Us Think The American Dream Is Dead, And The Month Of September Is Typically The Worst Month Of The Year For The Stock Market**

I kept warning about what would happen to our economy if we stayed on the path that we were on. For decades, our leaders have been making unbelievably bad decisions, and now the consequences are really starting to catch up with us. The cost of living has become incredibly painful, a larger housing bubble than the one that we faced just prior to the Great Recession is beginning to burst, and large

companies are conducting mass layoffs all over the country. We were handed the keys to the greatest economic machine that the world has ever seen, and our leaders have completely wrecked it. As a result, economic pessimism has soared to unprecedented heights.

News Macron Announces That September 22 Is The Date When The Big Push For A Palestinian State Will Begin

The month of September has certainly begun with quite a bang. Yesterday, I listed 18 things that are going to happen during September and the early portion of October, and now we have another item to add to that list. On Twitter, French President Emmanuel Macron just announced that he will co-chair “the Conference on the Two-State Solution” at the United Nations in New York City on September 22nd. According to Macron, the objective of the conference is to “rally the broadest

possible international support for the Two-State Solution”...

If you see any news that is connected to bible prophecy that I missed, you can leave a link to that news in my comment section.

When the Jehovah's Witnesses come knocking on your door, you really need to know who it is that is knocking! Let me show you where the angels came from that the Watchtower Society says are guiding them? With the right answers you can help a Jehovah witness see the truth!

For years, I have conducted in-depth research into the teachings of the Watchtower Society of Jehovah's Witnesses. Sadly, the average Jehovah's Witness never questions or investigates what their leaders teach. As a result, they remain unaware that many of these teachings have been influenced by Satan and his angels, who—according to the Watchtower's own claims—are guiding their organization.

If you are a new Jehovah's Witness, I urge you: what I present in this paper is exactly what the Watchtower doesn't want you to see. Using the Watchtower's own publications and documents, I will show you that Satan is behind the organization's teachings.

Jehovah's Witnesses are sincere, well-meaning people who have been led away from the true teachings of God. And because we are living in the last days, it is more urgent than ever for you, as a Jehovah's Witness, to examine what your leaders have hidden from you.

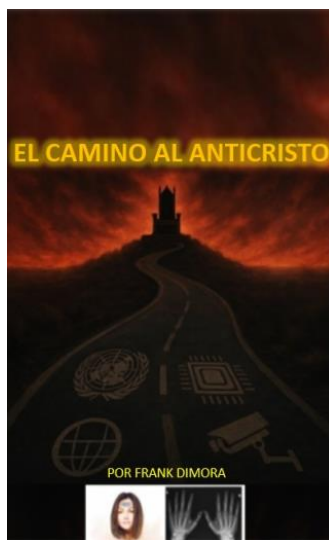

Click the link below to see how Satan has influenced the Watchtower organization. Your eternal destiny is at stake. Your soul depends on whether you are willing to 'make sure of all things.' If you never examine your own teachings, you cannot claim to have truly 'made sure of all things'—and you cannot honestly call yourself one of Jehovah's Witnesses.

Read Chapter 21 of my book *The Rapture of the Church*.

What did Jesus mean when He gave this warning in **2 Thessalonians 2:11**?

"And for this cause God shall send them strong delusion, that they should believe a lie."

This verse is set in the context of those who refuse to believe the truth of the Gospel and instead choose to embrace falsehoods and deception. It reveals that God allows—or permits—a powerful delusion to overtake those who reject the truth, leading them even deeper into lies. This is understood as a form of divine judgment, a consequence for their willful rejection of God’s truth.

Could it be possible that when the Church of Christ is raptured and taken to heaven, the “strong delusion” will be the lie that those missing were taken by aliens—and that those left behind are actually the “good” people? When, in reality, the opposite is true?

See the link below for more insights on the rapture.
