Luke 21:11 There will be great earthquakes, famines and **pestilences** in various places, and fearful events and great signs from heaven.

News 15 Dead in New Ebola Outbreak in Congo-Kinshasa

The current outbreak has affected the Kasai region in the central parts of the central African country. The latest Ebola outbreak in Congo-Kinshasa occurred three years ago, when six people died. During the major Ebola epidemic in Congo-Kinshasa in 2018–2020, nearly 2,300 people died.

PROPHECY:
Magic Arts & Drugs

The words "magic arts" in Revelation 9:21 are the equivalent to the Greek word **pharmakia** from which our word "**pharmacy**" is derived. It signifies the use of medicine, **drugs**, spells, such as those used in witchcraft and those used today by those who are seeking a greater "high." It has become common knowledge this generation is known as the drug generation.

News Leftists Add Narcoterrorists to Their Mt. Rushmore of Heroes

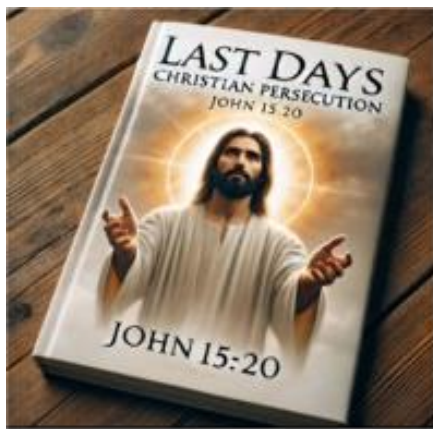

Apparently unsatisfied with merely playing apologist for human traffickers, murderers, rapists, vagrants, and flag-burners, the American left has now added bloodthirsty **narcoterrorists** to the list of people they're committed to defending. "This is the first known attack on a cartel since Trump authorized the military to carry out such operations earlier this year." "TDA is a designated Foreign Terrorist Organization, Eleven dead cartel members trying to funnel deadly drugs into the United States should earn bipartisan applause. But for Democrats,... the strike was an egregious violation of some unwritten code that says foreign drug cartels trying to poison Americans should be treated with kid gloves.

News 'You've Taken \$855,000 From Pharmaceutical Companies': Kennedy Spars With Senators During Wild Testimony

As Democrat Senators read prepared zingers to try and corner RFK Jr. over vaccines and other malarkey, Kennedy hit back with several very specific haymakers during the three-hour session – calling the Democratic lawmakers 'liars' – and even pointing out the **Elizabeth Warren has taken nearly a million dollars from pharmaceutical companies**. Kennedy also said that that leading medical organizations, including the American Academy of Pediatrics, were compromised because they accept pharmaceutical industry funding.

News Fmr. Army Special Forces warns cartels that retaliate against Trump: 'holy hell unleashed'

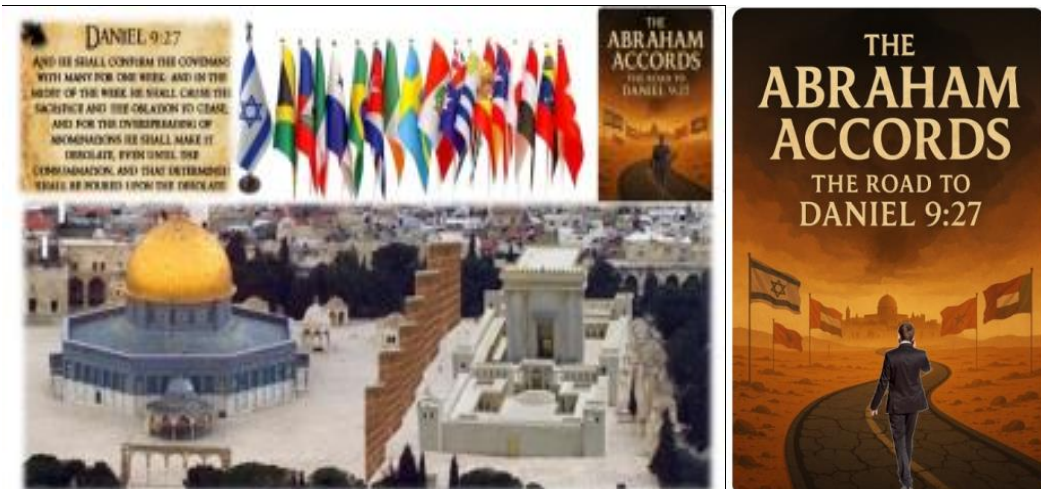

WorldStrat President Jim Hanson, who previously served in the U.S. Army Special Forces, warned that drug cartels will face “holy hell unleashed” if they attempt to retaliate against the United States following President Donald Trump’s strike on a drug cartel vessel in the Caribbean Sea on Tuesday. In a Truth Social post on Tuesday, Trump shared a video of the U.S. military executing a “kinetic strike” against “Tren de Aragua **Narcoterrorists**” in the Caribbean Sea. The president confirmed that the U.S. military strike left 11 terrorists dead.

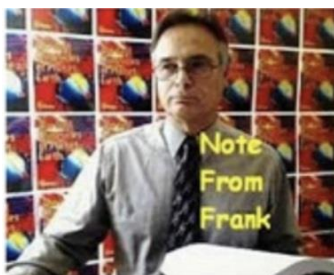

John 15:20 Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also.

News Zelenskyy tells me only Trump can stop Putin destroying Ukrainian churches, murdering pastors & priests, slaughtering civilians

President Volodymyr Zelenskyy and I spent 45 minutes in the Situation Room in the presidential compound talking about Donald Trump, Vladimir Putin, the Alaska summit, war crimes, and NATO unity. We also discussed the importance of protecting religious freedom, the tragic spike in Christian persecution, the importance of reading the Bible, the power of prayer, and why he recently hosted the largest prayer breakfast in Ukrainian history.

DANIEL 9:27 ²⁷ And **he shall confirm the covenant with many for one week:** and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

In my previous posts I have warned everyone to keep their eyes on nations lining up to join the Abraham Accords with Israel. Why? Because we may be seeing the beginning of the Daniel 9:27 prophecy. India is a major player in this puzzle.

News Israel and India to sign landmark economic agreement worth billions

Finance Minister Bezalel Smotrich is expected to lead a large Israeli delegation to India later this month to finalize the agreement, accompanied by Finance Ministry Director-General Ilan Rom and other senior officials. The landmark deal is projected to generate billions of dollars in trade and investment between the two countries, potentially creating a level of exchange “unprecedented in recent years.” “India as a world power, the most populous country in the world and the fifth-largest economy, can play a central role in promoting the **Abraham Accords** and the economic

connection between Israel and the moderate countries in the Middle East," Cohen assessed.

According to Zechariah 12:3, "On that day I will make Jerusalem a heavy stone for all peoples; all who attempt to lift it will injure themselves badly, though all the nations of the earth will gather against it.". This verse describes Jerusalem as an immovable rock that will cause harm to anyone who tries to attack or conquer it, signifying its strength and protection by God when all nations are gathered against it. Who owns Jerusalem? The Jews. So you can bet all the nations will turn on the Jews in the last days and that is what we are witnessing!

News Teachers Unions Across US Under Fire for Alleged Antisemitism

Teachers unions across the United States have come under intense scrutiny from both Jewish activists and federal lawmakers for allegedly promoting antisemitic ideas and fostering a hostile environment toward their Jewish members. The US House Committee on Education and the Workforce, for example, has opened an investigation into the National Education Association (NEA), the nation's largest teachers union, over allegations that its policies and materials discriminate against Jewish members.

News Jerry Nadler and the moral collapse of American Jewish liberals

The career of the retiring Manhattan congressman demonstrates the way partisan **Democrats have abandoned support of Israel** for leftist applause. There was a time when Rep. Jerrold Nadler (D-N.Y.) could be counted on as a stalwart defender of the Jewish state. That was a long time ago. In July when, rather than showing up to support the Jewish state, he joined a protest against Israel's just war of self-defense,

News Fake wanted posters for Jewish California regents found at Berkeley campus

Fake wanted posters of two Jewish regents at the University of California, Berkeley were found on campus on Tuesday. Dan Mogulof, assistant vice chancellor of executive communications at Berkeley, told JNS that the school found “disturbing and threatening posters targeting members of the UC board of regents” on campus. “The posters violated campus policy governing where material can be placed and were removed within an hour,” he said.

Matthew 24:6-7 You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. ⁷ Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places.

News An alternative universe

Hamas’s war against civilization pivots on its war against the Western and Israeli mind. Hamas and its Iranian patron have understood that the West no longer has the intellectual wherewithal to recognize the lies in the anti-Israel psyop warfare.

News Why The Peace Conference On September 22nd Could Cause A Catastrophic War To Erupt In The Middle East

A very dangerous geopolitical chess match is playing out right in front of our eyes. As I discussed yesterday, France and Saudi Arabia will co-chair “the Conference on the Two-State Solution” at the United Nations on September 22nd. The goal of this conference is to create an unstoppable wave of international momentum toward the creation of a Palestinian state. Israeli officials are very upset about this conference, and they are considering annexing large portions of the West Bank in response. If that happens, Israel’s Islamic neighbors will go absolutely berserk and a catastrophic war could break out in the Middle East. So let us hope that

cooler heads prevail, because we are rapidly approaching a point of no return.

What Will Happen to America in the Last Days?

Many people are asking what role—if any—America will play during the last days. While the Bible does not specifically name the United States, it does give us insight into the global landscape during the end times. One of the clearest revelations is that a **One World Government** will emerge, led by the **Antichrist**. Both the Book of Daniel and the Book of Revelation describe this man of sin rising to power and forcing the world to submit to his rule by taking his identification mark—what Scripture refers to as the number **666**.

Given that America is currently the world's leading superpower, **something significant must happen** to remove her from that position in order for this new global leader to take control. As of September **2025**, the United States' national debt has surpassed **\$36.60 trillion** and continues to grow. Could this massive debt trigger a collapse of the U.S. economy, leading to a global financial meltdown that paves the way for the Antichrist's rise? Or will it be a devastating war that weakens America, leaving the door open for a new world leader? Some say it will be America's moral decay that breaks her down.

Whatever the cause, **Scripture points to a dramatic shift in global power**. The only possible reference to the United States in prophecy may be found in **Ezekiel 38**, where the “young lions” protest the Gog-Magog invasion of Israel. However, there is **no indication that these young lions take any meaningful action to help Israel**. This silence could suggest that America has lost its influence and ability to act on the world stage.

In any case, the fall of America's global dominance appears to be a necessary step in the fulfillment of end-time prophecy. The rise of the Antichrist and the formation of the One World Government will not happen until the current superpowers are removed or subdued—and America's fall may be the key event that accelerates that process.

News We Just Got 6 More Confirmations That The U.S. Economy Is Moving In The Wrong Direction

Nobody can deny that the U.S. economy deteriorated dramatically during the four years that Joe Biden was in the White House. In fact, it was

probably the biggest reason why the Democrats lost control of the White House. The American people were desperate for change, because economic conditions had become extremely painful. Of course the Biden years were just one chapter in America's long-term economic decline. Debt levels have been exploding and our standard of living has been deteriorating for a very long time, but there was hope that conditions would start to improve in 2025.

News Florida to end ALL vaccine mandates – “every last one of them”

...In conjunction with the commission's creation, Surgeon General Joseph Ladapo announced that the Florida Department of Health would work with Governor DeSantis to end all vaccine mandates in the state. He stated that “every last one of them” would be eliminated, emphasizing individual rights and informed consent.

News Your last chance to stop politicians introducing euthanasia to the UK

The Terminally Ill Adults (End of Life) Bill is a private members' bill

introduced in the UK Parliament by Kim Leadbeater to legalise euthanasia in England and Wales. It has passed all three readings in the House of Commons and its first reading in the House of Lords. It has been tabled to have its second reading in the Lords next week, on 12 September 2025. If you oppose this Bill, which any moral and decent person would, time is running out to have your voice heard,

I believe the seed of men in Daniel 2 can be applied to the seed that came from Hagar and Sarah which turned out to be the seeds of Islam and Christianity. The **Hagar and Sarah connection** comes from the book Genesis. Hagar's son Ishmael is associated with the Arab peoples, and Sarah's son Isaac with Israel. Later Islam historically arose from Ishmael's lineage, while Christianity arose from the fulfillment of God's covenant through Isaac and Jacob leading to **Christ**. We see these two seeds battling it out in the news now.

In 2016 I produced a video concerning the European Union which has the same nations in it as the Old Roman Empire. I show how these two seeds at the present time in the European Union (EU) is dividing into Islam and Christianity. We see in Daniel 2:43 these types of seeds do not mix. What has been taking place in Europe, Canada, Australia is exactly what I said was going to happen and, it has also begun to grow in America. There is no question in these last days we are witnessing these two seeds that lead to Islam against Christianity coming against each other.

News France: Islamic Terrorist Screamed ‘Allah Akbar’ and Raised ISIS Salute Before Stabbing Attack that Left Five Wounded

A Tunisian migrant, Abdelkader Dibi, stabbed five people in Marseille while shouting “Allah Akbar” and flashing the ISIS salute before being gunned down by police, yet French authorities refuse to treat the attack as jihad.

News CAIR’s Arizona Lawfare: Hijab Lawsuits and Media Collusion Against U.S. Police

Four female Muslim activists arrested at an Arizona State University protest are suing police, claiming their hijabs were “forcefully removed” during booking — a case spearheaded by CAIR’s legal arm and framed as humiliation to advance its broader lawfare strategy.

When the Jehovah's Witnesses come knocking on your door, you really need to know who it is that is knocking! Let me show you where the angels came from that the Watchtower Society says are guiding them? With the right answers you can help a Jehovah witness see the truth!

For years, I have conducted in-depth research into the teachings of the Watchtower Society of Jehovah's Witnesses. Sadly, the average Jehovah's Witness never questions or investigates what their leaders teach. As a result, they remain unaware that many of these teachings have been influenced by

Satan and his angels, who—according to the Watchtower’s own claims—are guiding their organization.

If you are a new Jehovah’s Witness, I urge you: what I present in this paper is exactly what the Watchtower doesn’t want you to see. Using the Watchtower’s own publications and documents, I will show you that Satan is behind the organization’s teachings.

Jehovah’s Witnesses are sincere, well-meaning people who have been led away from the true teachings of God. And because we are living in the last days, it is more urgent than ever for you, as a Jehovah’s Witness, to examine what your leaders have hidden from you.

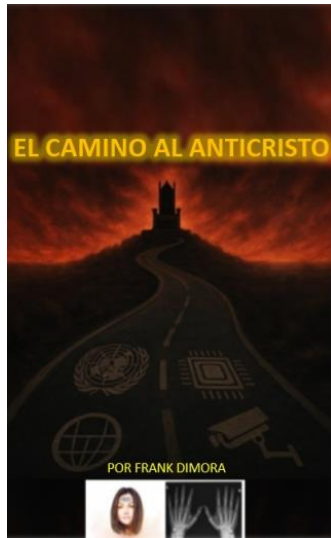

Click the link below to see how Satan has influenced the Watchtower organization. Your eternal destiny is at stake. Your soul depends on whether you are willing to ‘make sure of all things.’ If you never examine your own teachings, you cannot claim to have truly ‘made sure of all things’—and you cannot honestly call yourself one of Jehovah’s Witnesses.

Read Chapter 21 of my book *The Rapture of the Church*.

What did Jesus mean when He gave this warning in **2 Thessalonians 2:11**?

"And for this cause God shall send them strong delusion, that they should believe a lie."

This verse is set in the context of those who refuse to believe the truth of the Gospel and instead choose to embrace falsehoods and deception. It reveals that God allows—or permits—a powerful delusion to overtake those who reject the truth, leading them even deeper into lies. This is understood as a form of divine judgment, a consequence for their willful rejection of God's truth.

Could it be possible that when the Church of Christ is raptured and taken to heaven, the "strong delusion" will be the lie that those missing were taken by

aliens—and that those left behind are actually the “good” people? When, in reality, the opposite is true?

See the link below for more insights on the rapture.
