

## September 8, 2025 prophecy post with Frank DiMora

If you see any news that is connected to bible prophecy that I missed, you can leave a link to that news in my comment section.

**Luke 17:26-30** **26** And as it was in the days of Noe, so shall it be also in the days of the Son of man. **27** They did eat, they drank, they married wives, they were given in marriage, until the day that Noah entered into the

ark, and the flood came, and destroyed them all. **28** Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; **29** But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all

## **News** After Facing Backlash, 'Christian' TV Personalities Double Down On LGBT Promotion With New Game Show

Chip and Joanna Gaines. Maybe you're familiar with them. The self-described "Christian" couple is best known for their home renovation TV series "Fixer Upper," but over the last couple of months, they've been making headlines for all the wrong reasons. It all started back in July when it was announced that the couple was producing a new reality TV show called "Back to the Frontier," which they pitched as a family-friendly program. It's a show about families who leave modernity behind in pursuit of an 1800s lifestyle. It may sound good, but the casting choice was interesting, to say the least, for two self-described "Christians." Chip and Joanna Gaines selected a gay couple with two young boys as one of the families for the show. <https://harbingersdaily.com/after-facing-backlash-christian-tv-personalities-double-down-on-lgbt-promotion-with-new-game-show/>

## **News** L.G.B.T.Q. Catholics Have Jubilee With Pope's Blessing, if Not His Presence

Hundreds of L.G.B.T.Q. Catholics processed through the Holy Door in St. Peter's Basilica on Saturday to officially participate in the church's quarter-centennial festival of renewal and forgiveness, a marked sign of acceptance in a church in which many felt shunned or excluded until recently.

I believe the seed of men in Daniel 2 can be applied to the seed that came from Hagar and Sarai which turned out to be the seeds of Islam and Christianity. The **Hagar and Sarah connection** comes from the book Genesis. Hagar's son Ishmael is associated with the Arab peoples, and Sarah's son Isaac with Israel. Later Islam historically arose from Ishmael's lineage, while Christianity arose from the fulfillment of God's covenant through Isaac and Jacob leading to **Christ**. We see these two seeds battling it out in the news now.

In 2016 I produced a video concerning the European Union which has the same nations in it as the Old Roman Empire. I show how these two seeds at the present time in the European Union (EU) is dividing into Islam and Christianity. We see in Daniel 2:43 these types of seeds do not mix. What has been taking place in Europe, Canada, Australia is exactly what I said was going to happen and, it has also begun to grow in America. There is no question in these last days we are witnessing these two seeds that lead to Islam against Christianity coming against each other.

## **News** Texas Under Siege: Inside NAMCC's Mosque Expansion Machine — Opaque Funding, Sharia Enclave Blueprint

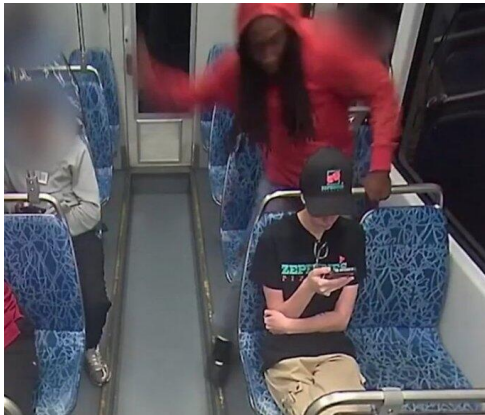

From a rented storefront to a multi-million-dollar empire bound by Sharia, NAMCC has transformed into a foreign-trained, expansion-driven hub building a parallel enclave in the heart of Austin.

## **News** The Image That Killed The Democrat Ticket In 2026 And Beyond

**And just like that, it's over for the Dems in the 2026 midterms.** Maybe even the 2028 general election. Maybe this is even the final nail in their creaky, splintering, mentally ill, Marxist coffin.

Right now, they're trying to ignore it, the way they tried to pretend Hunter Biden's laptop didn't exist back in 2020. They were successful enough that time to push their vote machine over the finish line in Biden/Harris's favor, but that won't happen this time. This story, this image, is already out there.

It's over for the Dems in 2026 midterms. Maybe even 2028's general election. Maybe even the final nail in their splintering, mentally ill Marxist coffin. A violent lunatic with 14 previous arrests, who still freely roamed the streets, randomly and viciously stabbed a young woman on the train, killing her....The video is chilling and terrifying, the horror every urban female (and plenty of males) fears. The still image of the moment the madman's knife

begins its descent...will now become the face of the modern Democrat party. The young woman was from Ukraine.

## **News** Maryland Scrambles To Deploy More Law Enforcement To Crime-Ridden Baltimore After Trump Threat

Maryland Governor Wes Moore and Baltimore City Mayor Brandon Scott, both leaning left on the political spectrum, announced late last week that additional law enforcement resources will be deployed to support the crumbling Baltimore City Police force, which is suffering from a dangerous officer shortage after years of disastrous criminal justice reforms, including “defund the police” initiatives and other progressive programs that have backfired.

## **News** Zelenskyj: Putin Tests Global Response with Ukraine Attacks

Donald Trump says he can imagine further sanctions against Russia and similar messages have come from European quarters. But Volodymyr Zelenskyj demands actions, not words. It must be felt by Russia, says the Ukrainian president.

Luke 21:11 There will be great earthquakes, famines and **pestilences** in various places, and fearful events and great signs from heaven.

## **News** [Heart inflammation caused by covid “vaccines” is a potential time bomb](#)

In May, the US Food and Drug Administration ordered Pfizer and Moderna to expand the warning labels on their covid-19 vaccines to include a heightened risk of heart inflammation, specifically myocarditis and pericarditis, in males aged 16 to 25. Although the FDA has not characterised it as such, others have noted that the risk of myocarditis is a potential “ticking time bomb” because of its often-symptomless nature.

## **News** [Why Washington’s Panic Over Kennedy Tells Us He’s Close To The Truth](#)

Whenever we see such coordinated verbal assaults, we know Kennedy is circling something explosive, something Washington elites are desperate to keep buried. Kennedy was grilled hard for firing CDC Director Susan Monarez, tearing down the vaccine advisory board, canceling \$500 million in

mRNA contracts, and restricting shots for children and pregnant women. The questions weren't really about medicine; they were about power. Secretary Kennedy has been working to dismantle a system that thrives on crisis, contracts, and revolving door profits.

## **News** China Is Suddenly Deploying AI Everywhere

While the United States rushes head-first into a self-inflicted economic crisis in an attempt to develop AI with human-level intelligence, China is eyeing a different goal. Last week, the Chinese State Council unveiled its ten-year plan to fully integrate AI into every aspect of the country's economy by 2035. Called "AI+," the ambitious plan sees AI becoming a "key growth engine for the country's economic development," a transformation mirroring that of the internet age.

## **News** Blood Moon Eclipse Over Israel: Confusing Masculine and Feminine, Leaving the Arabs in the Dark

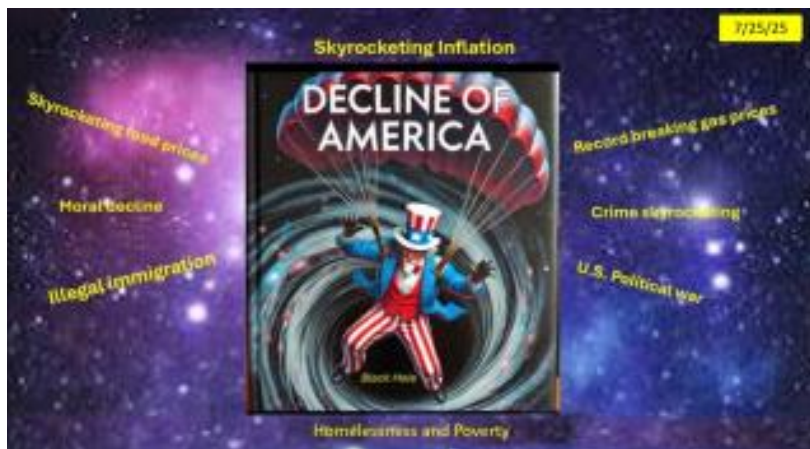

As darkness falls over the Holy Land on Sunday night, Israel will witness a celestial phenomenon that bridges the realms of science and prophecy. A total lunar eclipse will transform the moon into a dramatic "Blood Moon," casting an eerie crimson glow across the skies above Jerusalem and throughout the Jewish state. For observers in Israel, this astronomical event holds particular significance, as Jewish tradition has long interpreted lunar eclipses as divine messages explicitly connected to the Jewish people and their destiny.

## **What Will Happen to America in the Last Days?**

Many people are asking what role—if any—America will play during the last days. While the Bible does not specifically name the United States, it does

give us insight into the global landscape during the end times. One of the clearest revelations is that a **One World Government** will emerge, led by the **Antichrist**. Both the Book of Daniel and the Book of Revelation describe this man of sin rising to power and forcing the world to submit to his rule by taking his identification mark—what Scripture refers to as the number **666**.

Given that America is currently the world's leading superpower, **something significant must happen** to remove her from that position in order for this new global leader to take control. As of September **2025**, the United States' national debt has surpassed **\$36.60 trillion** and continues to grow. Could this massive debt trigger a collapse of the U.S. economy, leading to a global financial meltdown that paves the way for the Antichrist's rise? Or will it be a devastating war that weakens America, leaving the door open for a new world leader? Some say it will be America's moral decay that breaks her down.

Whatever the cause, **Scripture points to a dramatic shift in global power**. The only possible reference to the United States in prophecy may be found in **Ezekiel 38**, where the "young lions" protest the Gog-Magog invasion of Israel. However, there is **no indication that these young lions take any meaningful action to help Israel**. This silence could suggest that America has lost its influence and ability to act on the world stage.

In any case, the fall of America's global dominance appears to be a necessary step in the fulfillment of end-time prophecy. The rise of the Antichrist and the formation of the One World Government will not happen until the current superpowers are removed or subdued—and America's fall may be the key event that accelerates that process.

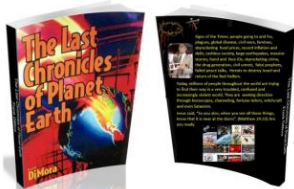

**News** [It Is "The Toughest Time In Years" To Be Looking For A Job In The U.S. – One 64-Year-Old Man Has Been Waking Up At 3 AM To Search For Work And Can't Find Anything](#)

Are we defined by what we do? For so many of us, our identities are tied to our occupations...Unfortunately, large numbers of Americans are now losing the jobs that they value so much, and competition for any good jobs

that do happen to be available has become extremely fierce. In fact, I am going to share a story with you in this article that is so extreme that you may not believe it, but it is actually true.

When the Jehovah's Witnesses come knocking on your door, you really need to know who it is that is knocking! Let me show you where the angels came from that the Watchtower Society says are guiding them? With the right answers you can help a Jehovah witness see the truth!

For years, I have conducted in-depth research into the teachings of the Watchtower Society of Jehovah's Witnesses. Sadly, the average Jehovah's Witness never questions or investigates what their leaders teach. As a result, they remain unaware that many of these teachings have been influenced by Satan and his angels, who—according to the Watchtower's own claims—are guiding their organization.

If you are a new Jehovah's Witness, I urge you: what I present in this paper is exactly what the Watchtower doesn't want you to see. Using the Watchtower's own publications and documents, I will show you that Satan is behind the organization's teachings.

Jehovah's Witnesses are sincere, well-meaning people who have been led away from the true teachings of God. And because we are living in the last days, it is more urgent than ever for you, as a Jehovah's Witness, to examine what your leaders have hidden from you.

Click the link below to see how Satan has influenced the Watchtower organization. Your eternal destiny is at stake. Your soul depends on whether you are willing to 'make sure of all things.' If you never examine your own teachings, you cannot claim to have truly 'made sure of all things'—and you cannot honestly call yourself one of Jehovah's Witnesses.

Read Chapter 21 of my book *The Rapture of the Church*.

What did Jesus mean when He gave this warning in 2 Thessalonians 2:11?

*"And for this cause God shall send them strong delusion, that they should believe a lie."*

This verse is set in the context of those who refuse to believe the truth of the Gospel and instead choose to embrace falsehoods and deception. It reveals that God allows—or permits—a powerful delusion to overtake those who reject the truth, leading them even deeper into lies. This is understood as a form of divine judgment, a consequence for their willful rejection of God's truth.

Could it be possible that when the Church of Christ is raptured and taken to heaven, the “strong delusion” will be the lie that those missing were taken by aliens—and that those left behind are actually the “good” people? When, in reality, the opposite is true?

See the link below for more insights on the rapture.
